

Who are we?

- Created in Côte d'Ivoire on October 19, 2022, in the San-Pedro region, and expanded to the departments of Duékoué, Guiglo, Bloléquin, and Toulépleu in November 2022
- A cooperative bringing together coffee and cocoa producers
- Activities : production, processing, and marketing
- Members committed to quality and sustainability

Our Mission

- Promote sustainable and fair agriculture
- Improve the living conditions of producers
- Provide high-quality coffee and cocoa
- Enhance and showcase the Ivorian terroir

Our Strengths

- 100% Ivorian cooperative, committed to local development
- Full traceability : from the farm to the cup or chocolate bar.
- Local processing to create greater added value.
- Consistent quality with regular technical support for producers.
- Rainforest Alliance certified cocoa beans, ensuring sustainability and ethical practices.

Our Products

- Coffee : green coffee, roasted coffee, ground coffee (MosesCafé)
- Cocoa : beans
- Formats : bulk, jute bags, sachets, sticks
- Natural and traceable products

Our Key Figures

- Total cultivated area : 11,417.69 hectares
- Annual production : 10,421 tons of cocoa beans and 625 tons of green coffee
- Cooperative members : 3,427 producers
- Male members : 3,258 producers
- Female members : 169 producers
- Partners : OLAM – CNEK – ICP – CARGIL – IVCOM – AFRICA SOURCING – IVCAO – SUCDEN

HSE Commitments

- Social : training, women's empowerment, youth employment
- Environmental : agroecology, fight against deforestation, reforestation
- Economic : fair incomes, short and sustainable supply chains
- Child labor prevention

Projects and Ambitions

- Increase local coffee processing capacity
- Export cocoa beans
- Semi-process cocoa into butter, paste, and powder
- Develop the MosesCafé brand and launch the MosesChoco brand
- Obtain certifications (Fairtrade, Organic)
- Export to West Africa and Europe.

Why Collaborate with Us?

- Authentic & fully traceable products
- Positive social and environmental impact
- Reliable partner committed to long-term collaboration
- Combine product quality with sustainable impact
